

## WHAT WE STRIVE FOR

Miko Group Inc. is a HUBZone and Service-Disabled Veteran-Owned Small Business dedicated to assisting private, government and military agencies in achieving leading-edge project management solutions. Our balance of creative innovation, disciplined processes and comprehensive focus on ROI potential is achieved by a team of professionals with vast national level experience and know-how. From advanced cost controls and business relations to top tier customer service and timely execution, our agile and dynamic talent platform functioning within a full-scale approach improves responsiveness while providing accountability to all stakeholders with the utmost importance of getting it right the first time.

## WHO WE SERVE

Reflecting focus on myriad excellent project performances from initiation, our well-developed methodologies across a broad range of pursuits compile a portfolio reflecting our vast skill set of abilities and interests.

**American Institutes for Research:** American Institutes for Research is one of the largest behavioral and social science research organizations in the world, and Miko provides advanced technical assistance to its Federal Statistics Program and comprehensive logistic support to its Education Technology Program.

**ARINC Engineering Services, LLC:** Miko provides support to individual task requirements under the F2AST program which includes system modifications, development, repairs, depot maintenance, and one-time spares and repairs which qualify as critical, limited, and/or contingency and sole-source services.

**CODEplus, Inc.:** With intimate understanding of CODEplus' extended supply chain, we employ our deep logistics and supply chain expertise, helping transform operational information into intelligent business decisions.

**Dynamics Research Team:** Partnership facilitated the provision of USAF superior DESP II programs, services and solutions, aiding in the implementation and integration of state-of-the-art engineering technologies. Processes are structured to quickly deliver high-quality, low-cost services and products that fully meet the Warfighter's needs.

**National Parental Information and Resource Centers Coordination Center:** Miko provides technical assistance to support management capacity, service delivery and provides access to research-based materials and effective practices regarding parent training and involvement that contribute to improved student academic achievement.

**RMC Research Corporation:** Assisting in research, evaluation, training, technical consulting, and product development, our partnership supports educational and human service agencies of federal, state, and local governments as well as private foundations and providers of educational products and services.

**U.S. Department of Education:** Our program involvement provides assistance to state districts for scientifically based student reading programs in grades K-3 promoting screening and diagnostic tools with classroom-based instructional reading assessments to measure and monitor reading progress. Focus includes implementing tools for increased professional development, ensuring all teachers have the skills needed to teach these programs effectively.

## COMMUNITY INITIATIVES

A community, country and employee-focused organization, Miko thinks globally and acts locally with "green initiative" use of resources and technology and the encouragement of volunteer activities among all employees.

- First company in Oklahoma to employ the use an all-electric vehicle for commercial use
- All internal printing and email communication done with EcoFont, a font proven to reduce ink use by 20%
- Encouragement of employee carpooling, public transportation and low-energy vehicles with incentive compensation
- Institution of extensive recycling measures and purchase of office/janitorial supplies with post-consumer content
- Volunteer Participation with Meals On Wheels of Norman, Oklahoma, and United Cerebral Palsy Foundation
- Annual employee involvement with local autism foundation and annual city-wide "On My Own Time" art show event

## AWARDS AND ACCOLADES

Trademarks of success, we work to exceed expectation.
